description

Floor Vinegar Clean Wipes are a pure eco cleaning wipe utilising the power of naturally fermented vinegar to provide a preservative free cleaner for floor surfaces. Made from one ingredient – 100% Australian naturally fermented vinegar, these wipes smell of authentic natural vinegar, leaving a pure clean odourless finish on dried surfaces with zero microplastics. Ideal for cleaning and disinfecting: kitchen & wet area floors; tiled grout joints; vinyl tiles and sheet vinyl; linoleum; laminate floors; glazed floor tiles; cork and bamboo floors.

directions

Pull wipe from pack and reseal to retain moisture. Wipe surfaces thoroughly and discard wipe in compost or green waste bin. Not suitable for flushing. For heavily soiled surfaces, allow contact time for deeper cleaning.
