CRYSTAL

PREMIUM GLASS CLEANER

DESCRIPTION

Crystal is a premium glass and shiny surface cleaner. Crystal is formulated to be spotless flash drying with anti-fogging properties, giving a streak and smear free result. No ammonia, Crystal repels dirt and improves gloss. Crystal is safe for use on all glass and metal surfaces. It is fast drying and provides a streak and smear free result.

FEATURES & BENEFITS

- Fast drying, anti-fogging formula.
- Easy to use.
- Safe for use in food preparation areas.
- Repels dirt so surfaces stay cleaner for longer.
- Multi-use formula for glass and metal surfaces.

DIRECTIONS FOR USE

Crystal is applied neat using a spray bottle and a clean lint free cloth. Spray lightly over the surface and agitate with a micro fibre cloth in a circular motion. Change your cloths frequently as a dirty cloth can re-deposit dirt.

SUITABILITY OF CHEMICAL FOR FOOD PREPARATION AREAS

When used as directed Crystal is suitable for use in kitchens and food preparation areas.

Safe for food preparation areas

Australian Made & Owned
